A LETTER FROM THE FOUNDER

Every successful minister goes through school. It's just a matter of whether it's in a formal educational setting with experienced instructors ready to help or an informal one through the "school of hard knocks" alone. I took the latter route, and I must say, if you survive, it makes a great testimony. However, I don't recommend it!

The Lord led me to start Charis Bible College for the purpose of training people for the work of the ministry. He wanted me to take a unique approach; it had to be a combination of the rich teaching of God's Word and practical, hands-on ministry experience.

Whatever God is leading you to do, preparation is never a waste of time. Statistics show that 80% of ministers drop out of the ministry, and 80% of those who stay are on the verge of burnout. I believe the lack of preparation—spiritually, academically, and practically—are at the root of these statistics.

If you choose to attend, I guarantee you it will change your life and the lives of those around you forever.

A LETTER FROM THE DIRECTOR

As Director of Charis Bible College Gold Coast, I am so blessed to know that you are considering studying at Charis Bible College. Following God's direction to attend Charis forever changed my life more than I could have asked or imagined! I also personally understand the sacrifices required to attend Charis. I believe that being dedicated to finding, following, and fulfilling God's purpose for your life is truly the best decision you can make, and you will succeed as long as you do not quit!

At Charis you will experience the unconditional love and grace of God, be disciplined, and will build lasting relationships with other likeminded believers.

At Charis Bible College, our #1 textbook is the Bible. We study the Word with an emphasis on revelation knowledge - life application, character development and practical ministry. In many instances people do not know how to apply the principles of the Word in everyday life, nor have the character to sustain it. We believe that a balance between study, application, character development and practical ministry is essential.

Charis Bible College Gold Coast has been operating in Australia since 2014. The staff and I are praying for you as you consider being a part of this life-changing experience. We know that as you seek Him first, God will give you the desires of His heart for your life and lead you in the direction He wants you to go. We believe it is going to be an abundantly blessed year of growth and discovery and we would love for you to be a part of it!

Once again, thank you for considering Charis Bible College Gold Coast. We look forward to meeting you in person. If you have any questions or would like to chat about your future at Charis, please contact us.

Director of Charis Bible College Gold Coast

YEAR 1

Establish a firm foundation in the Word of God through Year 1 at Charis Bible College. You will encounter life-changing Biblical truths that will produce a renewed mind and establish a rich spiritual foundation.

TESTIMONY:

As someone who grew up in a christian home I thought I knew how much God loved me, but coming to Charis has expanded my understanding of who God is and who I am in Him. Because of this, my relationship with Him has gone to such deeper levels of trust, confidence and intimacy. Charis Year 1 has truly changed my life and I am so excited for Year 2! - **Cassandra** - *On-Campus student*

After deciding to enrol, I asked the Father what to do next, particularly how to pay the tuition fees. Suddenly, out of nowhere, I was radically promoted in my job and got a pay rise! Praise God, He is so good to me! - **Margaret Miller** - *eCharis Student*

Receive hands-on ministry experience in Year 2 at Charis Bible College as you learn to follow the leading of the Holy Spirit. Build on your foundation with practical training and see the seed of God's Word produce passion, confidence, and vision in your life.

TESTIMONY:

I am extremely thankful that I have done Year 2 Charis. From the extraordinary teachings and practical work, I have grown immensely with my relationship with God moving one step closer to what God has assigned me to do. I can now confidently public speak, which was not the case prior to this year. I have also been more partnered with God than ever before. The greatest things I have received this year are: my relationship with God is on a whole other dimension, I am able to hear God more clearly, I am able to flow in the supernatural.

As Greg Mohr says "It's time to put your big boy pants on." I am equipped and ready to go out for God. It's time to put my big boy pants on and do what God has called me to do.
