## A LETTER FROM THE FOUNDER

Every successful minister goes through school. It's just a matter of whether it's in a formal educational setting with experienced instructors ready to help or an informal one through the "school of hard knocks" alone. I took the latter route, and I must say, if you survive, it makes a great testimony. However, I don't recommend it!

The Lord led me to start Charis Bible College for the purpose of training people for the work of the ministry. He wanted me to take a unique approach; it had to be a combination of the rich teaching of God's Word and practical, hands-on ministry experience.

Whatever God is leading you to do, preparation is never a waste of time. Statistics show that 80% of ministers drop out of the ministry, and 80% of those who stay are on the verge of burnout. I believe the lack of preparation—spiritually, academically, and practically—are at the root of these statistics.

If you choose to attend, I guarantee you it will change your life and the lives of those around you forever.

## A LETTER FROM THE DIRECTOR

As Director of Charis Bible College Gold Coast, I am so blessed to know that you are considering studying at Charis Bible College. Following God's direction to attend Charis forever changed my life more than I could have asked or imagined! I also personally understand the sacrifices required to attend Charis. I believe that being dedicated to finding, following, and fulfilling God's purpose for your life is truly the best decision you can make, and you will succeed as long as you do not quit!

At Charis you will experience the unconditional love and grace of God, be discipled, and will build lasting relationships with other likeminded believers.

At Charis Bible College, our #1 textbook is the Bible. We study the Word with an emphasis on revelation knowledge - life application, character development and practical ministry. In many instances people do not know how to apply the principles of the Word in everyday life, nor have the character to sustain it. We believe that a balance between study, application, character development and practical ministry is essential.

Charis Bible College Gold Coast has been operating in Australia since 2014. The staff and I are praying for you as you consider being a part of this life-changing experience. We know that as you seek Him first, God will give you the desires of His heart for your life and lead you in the direction He wants you to go. We believe it is going to be an abundantly blessed year of growth and discovery and we would love for you to be a part of it!

Once again, thank you for considering Charis Bible College Gold Coast. We look forward to meeting you in person. If you have any questions or would like to chat about your future at Charis, please contact us.

# YEAR 1 PROGRAM

## FIND GOD'S PURPOSE FOR YOUR LIFE

Establish a firm foundation in the Word of God through Year 1 at Charis Bible College. You will encounter life-changing Biblical truths that will produce a renewed mind and establish a rich spiritual foundation.

## TESTIMONY:

My first year of Charis was a year of radical change. God moved me from my childhood home to Charis, supernaturally providing a place for me to live. It was actually quite a hard year where I just had to keep choosing to trust God and keep going. I didn't notice the change until after the year was over. Then I was able to look back and see the leaps and bounds that had taken place in my life and relationship with God. I think the main takeaway of my first year at Charis was God's provision: from hugs I really needed, to plane tickets I couldn't afford. Over and over and over I can see the amazing bounty and blessing of God poured over my life - sometimes in ways I didn't recognise. First year overall was an awesome year of growing and changing with my amazing classmates day by day.

# YEAR 2 PROGRAM

## FOLLOW GOD'S PURPOSE FOR YOUR LIFE

Receive hands-on ministry experience in Year 2 at Charis Bible College as you learn to follow the leading of the Holy Spirit. Build on your foundation with practical training and see the seed of God's Word produce passion, confidence, and vision in your life.

## TESTIMONY:

Year 2 was an amazing year full of very practical, biblically principled courses for application in everyday life. For us, one of the highlights for the second year was the mission trip, including all the preparation time leading up to it. All the second year students (full-time and part-time) united together in prayers, practicing skits, singing songs in foreign languages and preparing testimonies/messages in the months before the mission trip. These have equipped us to be a blessing in the mission field to all around us, including each other. During the mission trip itself, we also had the opportunity to minister alongside our other brothers and sisters in Christ who were already at the mission site. Throughout the whole second year, we had opportunities to apply what we have learnt, and to rely and trust in the Holy Spirit as well; it was a year of action.

**Through Leadership school you will master the practical and spiritual components of building a sustainable ministry or business.**

### TESTIMONY:

My favourite year at Charis was third year. Not only were the teachings unbelievable, but everything I had learnt through first and second year was really starting to bloom. The leadership/business courses were fantastic and sparked certain passions and desires in me that I never realised I had. I came to realise just how much I had grown in the Word and was now starting to see the fruit of that produce in my life. I received much clarity throughout third year which gave me peace and the confidence to know I was headed in the right direction. Had I not chosen to do third year, my Charis experience would have been incomplete in many ways.

For me it was a life changer.

## **eCHARIS TESTIMONY**

I approached Charis, broken and defeated. God had called me out from the high ranks of Buddhism. I heard the call and responded. However for seven years afterward I searched for God. After much searching with no desired results I finally sank back into the alcoholism of my youth and I found myself in hospital. I asked God to just take me home. I had nothing left. I remembered someone, sometime, mentioning Charis Bible College. I signed up for a free teaching by Andrew Wommack, I had never heard of him! I can't tell you exactly what Andrew spoke but I know the instant effect it had on me. The following morning I discharged myself against doctor's advice and contacted Charis Gold Coast. I signed up for eCharis and began my studies. Within three days I was well and later also found out through blood tests that my long-term illness was gone. Charis absolutely changed my life. I found out the truth that the Word is alive! Studying the word and being under the influence of the best gospel teachers in the world today, is totally transforming.
