

## YEAR 1 COURSES

### **Dynamics of Christian Living 101**

Students gain a strong spiritual foundation through essential Biblical truths, exploring the Christian worldview while deepening their understanding of God's Word, prosperity, and the Holy Spirit. They learn to walk in identity, victory, and purpose, grounded in God's promises and power.

#### **A Sure Foundation**

*Two subjects are covered in this class. The Integrity of the Word expounds on the truth, surety, and infallibility of God's Word. Christian Philosophy shows us that we all have a system of thought but challenges us to examine if it is according to the Word or the world.*

#### **Life Foundations**

*In the Life Foundations course, you will learn 6 key foundational truths that will revolutionize your relationship with God, empower you to overcome every attack of the enemy, and give you the ability to minister to anyone, at any time about anything. The most important part of a structure is its foundation. These truths will help you establish a firm foundation in the Word of God.*

#### **Possess the Land**

*In this course you will come to understand the relationship between the children of Israel possessing the Promised Land, and believers possessing the 'Land of Promises.' What does it mean to possess the Truth, possess eternal life, our new identity in Christ, our thought life, and God's prosperity? Finally, how do we drive out the enemy who comes to steal, kill and destroy?*

#### **Prosperity God's Way**

*This course is designed to help students develop the right relationship with money and run the love of money out of their soul. Jesus tells us in Luke 16 that faithfulness in that which is least—money—will qualify us to be entrusted with true riches—eternal souls. These lessons will establish the student in the purpose of prosperity; identify the real enemies of prosperity; and teach the right attitudes to develop toward finances.*

#### **Healing**

*The Christian life includes physical health for all who believe. It is as much God's will that we be physically whole as it is that we be born again. Before anyone can have faith for healing, they must be certain of God's will. Faith cannot go beyond the knowledge of God's will and God's ways in the area of health and healing. This course will establish principles for health and healing and will explain healing in terms of the spirit, soul, and body of man. We will learn what is required of us as faith-filled Christians, and what is God's part in the process of receiving health in our bodies.*

#### **Holy Spirit 1**

*This is an exciting class that discusses the person and the work of the Holy Spirit. Not only will you learn how He has worked throughout history, but how He works in your life.*

## Dynamics of Christian Living 102

Students explore the Gospel's heart, identity in Christ, righteousness, grace, faith, prayer, and time management. They learn to strengthen relationships, overcome offense, develop godly character, and build a Biblical worldview to live with purpose, fruitfulness, and confidence in God's Word.

### Basics of Righteousness

*This class teaches about our Spirit, Soul, and Body and Identity in Christ. Spirit, Soul, and Body is a study that explains how our spirits are complete in Jesus if we are born again and how our souls and bodies should relate to our spirits. The Identity in Christ study shows us from Scripture who we are in Christ— our righteousness and justification.*

### The Heart Essence of the Gospel

*Guilt, Condemnation, and Fear seem to be the motivating factors that define many Christian's lives. Guilt, Condemnation, and Fear have been passed down from generation to generation because believers have been ignorant to the Heart or "Essence" of the Gospel, and for generations people have struggled to believe the truth of the "Almost too Good to be True Gospel." Because of the ignorance and lack of understanding concerning the "Essence" of the Gospel, very few people know and relate to God the way that He is revealed in the New Testament. The "Essence" of the Gospel is all about God revealing His goodness, love, mercy, grace and forgiveness and true nature to a tired, worn out, and hopeless world!*

### Principles of Grace and Faith

*The purpose of this course is to understand what grace and faith is and how they operate in our relationship towards God and how they operate towards those around us in our daily life. This course is designed to bring the Christian into a balance of receiving God's grace by faith and demonstrating that grace to all those around us.*

### Holy Spirit II

*This is an exciting class that discusses the Person and the work of the Holy Spirit. Not only will you learn how He has worked throughout history, but how He works in your life.*

### Marriage and Family

*This course will show what the Bible says about God's plan and purpose for marriage.*

### Time Management

## **Fruit of the Spirit**

God's very first words to man connects our success in life to our fruitfulness (Gen. 1:28). The kind of fruit each believer is called to produce is described in Gal. 5:22-23. This is a picture of the life and nature of Jesus. This course is an in-depth study of each aspect of the fruit of the Spirit. You will learn the purpose, the rewards, and the means to fully develop and manifest the fruit of the Spirit in your life and ministry.

### **Romans**

*Romans—the revelation of righteousness. The Book of Romans is considered by many as the greatest exposition of Christian Doctrine anywhere in the Bible. The revelation of righteousness is the revelation of the gospel. In this class we see the need for the provision of, the way to, and the power of righteousness revealed in Christ and received by faith.*

### **New Covenant Prayer**

*Communicating with God is a major part of our relationship with Him. This course is about what prayer can be like in light of the New Covenant. Topics include friendship with God, worship, hearing His voice, praying for others, and doing what we see the Father do. There will be a focus on scriptural examples and real-life application.*

### **Biblical Worldview**

*Biblical Worldview will show you the importance of making God's Word the final word in your life. At a time when our society is becoming increasingly hostile to biblical values, you'll learn how to live out your faith and respond to culture, media, and other pressures of life.*

*There are many different reasons why we need and want to hear God. This course will look at how to hear Him more clearly in any kind of situation. Whether it's for something big or little, for ourselves or for someone else, or if our circumstances are peaceful, or an emergency, we can hear God.*

**Principles for Restoration and  
Peace**

*This course is designed to help those who do not feel as close to God as they once were, who think they've done something that separated them from God, and who desire a closer walk with the Lord.*
